| | Two-Family | |
| Erosion and Sediment Control Permit Fee | | CURRENTLY NO CHARGE |

NOTICE

On September 9, 2015 the City of Greenwood adopted Architectural Design Standards. These standards are required for all new residential construction whether in a new or established neighborhood or subdivision.

Any subdivisions where Secondary Plats were initially filed between June 3, 2005 and June 3, 2015 are exempt from these standards for 10 years from the initial filing date of the plat. All others filed prior to June 3, 2015 or after June 3, 2015 will be reviewed for Architectural Design Standard compliance.

If you are unsure whether you are required to meet these standards, please contact Peggy Deer at deerp@greenwood.in.gov or (317) 881-8698. A copy of the standards can be found on the City website at http://www.greenwood.in.gov/egov/documents/1443706616_85759.pdf.

List of Qualifications: _____

Application is hereby made for a permit to improve premises as described herein as shown in the accompanying **plans and specifications**, which improvement is to be located as shown on the accompanying **plot plan**. The information which follows and the accompanying plans, specifications and other information with the representations therein contained, are made a part of this application in reliance upon which the Planning Commission of the City of Greenwood is requested to issue a location improvement permit and any applicable sewer permits.

It is understood and agreed by this Applicant that any error, misstatement or misrepresentation of material fact, either with or without intention on the part of this Applicant, such as might or would operate to cause refusal of this application, or conditional approval thereof, or any material alteration or change in the accompanying plans, specifications or improvements subsequent to the issuance of a permit in accordance with the application, without the approval of the Planning Commission shall constitute sufficient ground for the revocation of this permit.

All building construction work, alterations, repairs, or mechanical installations and appliances connected therewith and other work necessary to complete the following improvement, shall comply with the State Building Rules and Regulations, local ordinances and such other statutory provisions pertaining to this class of work, and such rules, regulations, ordinances and provisions shall be considered a part of specifications, whether specified herein or not.

The undersigned represents that such work shall start within 90 days and will be completed without delay; that said improvements will be finished in a good workmanlike manner. Should said work not start in good faith within 90 days, the undersigned understands this application will be void and of no force or effect whatever. The above information, to my knowledge and belief, is true and correct:

NOTICE TO BUILDERS

Residential and Commercial

Uniform Federal Accessibility Standards for Sidewalks and Handicap Ramps
(Federal Standard 795 & Recreation Areas without Barriers)
Effective Date: January 26, 1992

Included in this pack are regulations and some drawings as set by Federal Standard 795 & Recreation Areas without Barriers. The City of Greenwood requires that these standards be met. The issuing of an improvement location permit does not relieve the applicant of responsibility for complying with requirements of the Americans with Disabilities Act (ADA).

Receipt of this packet is hereby acknowledged.
