

Be part of **AIRPORT DAY** | August 4, 2018 and **MOVIE at the AIRPORT** | October 6, 2018. We will be inviting the community out to enjoy some Just PLANE Family Fun.

During the **MOVIE at the AIRPORT**, there will be planes on display, a family friendly film (Rated G or PG) and snacks for sale to benefit the Experimental Aircraft Association (EAA) Young Eagles. It is a great way for your organization to interact with local families and flying enthusiasts of all ages. We anticipate 500-700 attendees.

**Airport Day** brings the family together for a day of fun. The EAA will be providing Young Eagle flights **FREE** for kids ages 8-17, and various airport and community members will have aircraft on display, food trucks, police and fire trucks, and much more!

# 2018 AIRPORT PARTNER PLEDGE

---

I am interested in partnering with the Indy South Greenwood Airport and receiving all the benefits that accompany my selected partner level. In order to be eligible for all partner benefits listed below, we must receive your partner check prior to the event. This is my pledge of support:
