Motion to approve minutes from regular meeting on August 20, 2018 made by Mr. Hopper and seconded by Mr. Lekse

**Votes: Ayes Mr. Armstrong, Mr. Bates, Mr. Campbell, Ms. Gibson, Mr. Hill, Mr. Hopper, Mr. Lekse**

**Minutes approved 7-0**

## **II. Audience Request**

- Chris Barnes 1294 Tuscany Dr. Greenwood In 46143. Before council to speak in regards to Ordinance 18-19. Opposed to this ordinance, also spoke at previous council meeting. Have a petition of homeowners, with 71 signatures who are opposed to this as well. [http://www.greenwood.in.gov/egov/documents/1536606224\\_23349.pdf](http://www.greenwood.in.gov/egov/documents/1536606224_23349.pdf) Do have homeowners attending meeting to show opposition of Ord 18-19. Ask those in audience who are opposed to please stand. Request that council vote against Ord 18-19. Feel that this is not a good use of city resources, do not feel there is a problem with parking on the street overnight or that it leads to additional criminal activity in the neighborhood.
- Andrea Emerson 1698 Tuscany Dr. Greenwood In. 46143. Here to provide opposition of Ord. 18-19, would like to highlight five points. 1. Ordinance was presented to council as homeowners wishes, in reality homeowners were not made aware of Ord. 18-19 until they received notification about it being on council agenda two weeks prior. Point of contention of residents is that they had zero awareness or input in the petition. 2. Following the prior meeting of council a few residents got together and polled the neighbors with 71 signatures of opposition to the ordinance. Though signatures hold no legal weight, they just representations of documentation of the wishes of the residents. 3. Concern residents have expressed of overnight street parking ban causes a large in convenience to those hosting a gathering or having overnight guest. To be able to get around this the current HOA has advised the residents they could just contact the police to let them know what was going on and not ticket the vehicles. Though impractical, this makes it seem able to just pick and choose when to enforce the ordinance, defeating the purpose. 4. This is unnecessary, other neighborhoods do

not do this, there are appropriate laws in place in regards to overnight street parking, and the safety concern is speculation at best. 5. All together this ordinance amounts to having the cities first responders and tax payers enforcing an HOA's personal preferences because they lack the authority to do that.

- Daniel Swidron 1213 Lucca Dr. Greenwood IN 46143. President of Tuscany Village Home Owners Association (HOA). Would like to address now and more when ordinance comes up. As a home owner, the President of the HOA, as well as 70 other residents are in favor of the ordinance.

### **III. Reports**

#### **A. Corporation Counsel**

Ms. Koons stated should have received in the posting the IDEM Semi Monthly Report, and the Litigation Report; she also stated if there were any questions please contact her

#### **B. Controller**

None

#### **C. Committee & Board Reports**

Mr. Campbell shared they all should have received short report on the special RDC meeting that had been held.

### **IV. Ordinances and Resolutions**

#### **A. Notice of Intent to Consider**

None

#### **B. First Reading**

**ORDINANCE NO. 18-19** AN ORDINANCE AMENDING CHAPTER 2, ARTICLE 6, SECTION 2-38 OF THE GREENWOOD MUNICIPAL CODE (1993) DESIGNATING NO PARKING BETWEEN 12:00 A.M. AND 6:00 A.M. (OVERNIGHT) ON ALL STREETS IN TUSCANY VILLAGE SUBDIVISION (Sponsored by Hopper)

- Daniel Swidron 1213 Lucca Dr. Greenwood IN 46143. President of Tuscany Village Home Owners Association (HOA). Board took a unsolicited, unbiased survey of the homeowners, have 65 yes votes, 3 no and 2 undecided votes. There are 4 or 5 communities who do have no overnight parking in Whiteland; Country Gate, New Whiteland, Stoneybrook Streams and Cobblestone. In regards to the need for overnight street parking, the board is wanting to stop unwanted predators attracted by cars parked on the street. Have police report from January 2017 to present time, 126 calls to the community to include criminal mischief, parking problems, VIN inspections, disabled and abandon vehicles, suspicious persons and gun issues. Police are in the community about every 4 ½ days. As well report 15 to 18 vehicles that have been tagged by Main Street management for parking on the street overnight. Complaints from homeowners in regards to this, this is how this all started.
- Mr. Hill asked if the 70 signatures were from a different house, Mr. Swidron, stated yes they were.
- Mr. Lekse asked if the petition was being submitted for the record, Mr. Swidron stated he had shared it with Mr. Campbell, Mr. Campbell confirmed he had received the information and submitted to the clerk for the record.  
[http://www.greenwood.in.gov/egov/documents/1536606437\\_24954.pdf](http://www.greenwood.in.gov/egov/documents/1536606437_24954.pdf)
- Mr. Swidron shared that there were 3 homes where the wife wanted to sign as well. This is not an official petition for the HOA this is more of a survey for the city.
- Mr. Lekse shared thought in regards to the suggestion the homeowners could call the police saying I am having visitors tonight please ignore violation of the ordinance, seems this could be better achieved through neighbors. Mr. Lekse shared he has been involved with his HOA since 1996 and if they see someone has something in their yard for a day they do not run down there light them up and call the attorney on Monday morning. They wait and see if items remains a few more days, then ask the neighbor how long item would continue to be in yard.

- Mr. Lekse shared that when asking for an ordinance you are imposing a very bright line, should not demand law enforcement officers to serve in the role of a good neighbor. Mr. Swidron agreed with Mr. Lekse's statement.
- Mr. Swidron went on to share that the opposing group sent out to 57 other communities, suggested from Whiteland all they had to do was call the police dispatch and it would be okay. Not sure how Chief Laut would want to handle. Mr. Swidron shared that this was about repetitive, habitual offenders parking on the streets overnight. Mr. Lekse shared has dealt with that in his neighborhood of habitual offenders of various things and the conveyance restrictions has provision rarely imposed, of a \$50 a day fine, such as a boat in a driveway go by September 1 two people take a picture of it verifying picture taken, go back by September 2 let them know taking pictures, five days at \$250 fine ask them if the boat is going to go or do they fine them. There are ways to go about the issue without taking the time of the Greenwood police. Mr. Swidron shared their conveyance has a fine as well.
- Mr. Swidron stated this was not about cars parking overnight, it is about not wanting to attract unwanted people in the community, see easy target of cars parked on the street. In Huntington Creek people going around with pneumatic air guns putting nails in tires because the cars are parked, it is easy, they are kids. Mr. Lekse stated that at the last meeting asked if any of the people whose cars were victimized were here supporting him, and Mr. Swidron had stated there were not.
- Mr. Swidron stated that is also been said there is no need for police in the community, the report shows there are 126 needs in the community. Mr. Lekse stated that is a different question if police are needed in the community. Mr. Swidron stated he is trying to say there is a need for the police in the community, police come in for vehicle inspections what is that about, they are not sure, why are homeowners calling the police to come in to the community, there is a need. Most homeowners will not go next door to their neighbor and say move your car, they call the HOA.
- Mr. Armstrong shared that the vehicle identification number is requirement by the state police to get a title for a car purchased so that has nothing to do with the issue.
- Mr. Swidron shared that there were abandon cars on the list, theft and vandalism. Mr. Lekse stated he only found 4 or 5 parking violations on the list. Mr. Swidron asked are they coming in to steal because the cars are out. Mr. Lekse stated he is glad Mr. Swidron cares more about his neighbor's cars than they do because he is there and they are not. Mr. Swidron stated it was the habitual offenders who did not care about their neighbors. The HOA cares about their neighborhood as well as the 70 homeowners who signed the petition.
- Ms. Gibson shared that the police report that was shared by Mr. Campbell for the community from part of 2017 to current, she had done an analysis of the 126 police runs. Of those runs 4 were for parking problems, 6 suspicious vehicle or person, 3 abandoned vehicles, 41 alarms in residents with most of those disregarded, gun permit checks, agency assist, lock outs, vin number checks, domestic and a juvenile problem. Of the 126 there may be 12 related to parking.
- Mr. Armstrong shared that if he were to vote for this it would need a lot of amendments.
- Ms. Gibson shared that she was in the community at 11:30pm. on 9/4/18 to see the parking problem. There were no cars on the street, the community is well lit, actually drove through darker areas getting to that community, as well they have wide streets at 28 feet. Mr. Campbell shared he as well visited the neighborhood on 4 different occasions since the last council meeting the times were at 6:30p.m., 9:30p.m., 5:55a.m. and 6:15a.m, there were a couple cars and the streets are wide and well lit. As well went through neighborhoods that had more of parking problem Tuscany Village.

Emilie Boinot Plant Manager for Nestle Waters. Have a current entrance that cause traffic to back up when tanker trucks come in. Wanting to create a second entrance that will allow the tankers to come in and stage them to the side to prevent the traffic back up. Mr. Armstrong asked what was meant by staging. Ms. Bornoti explained with the parking lot they would be able to bring the tankers and trucks in and have them waiting in the parking lot from this entrance stopping the traffic back up, it would be a one way drive.

**ORDINANCE NO. 18-34** AN ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF GREENWOOD, JOHNSON COUNTY, INDIANA, CONCERNING THE CONSTRUCTION OF ADDITIONS AND IMPROVEMENTS TO THE SEWAGE WORKS OF THE CITY; AUTHORIZING THE ISSUANCE OF REVENUE BONDS TO PROVIDE FUNDS FOR THE PAYMENT OF THE COSTS THEREOF; AUTHORIZING THE COLLECTION, SEGREGATION AND DISTRIBUTION OF THE REVENUES OF THE SYSTEM, THE SAFEGUARDING OF THE INTERESTS OF THE OWNERS OF SUCH REVENUE BONDS AND OTHER MATTERS CONNECTED THEREWITH, INCLUDING THE ISSUANCE OF NOTES IN ANTICIPATION OF BONDS; AND REPEALING ORDINANCES INCONSISTENT HERewith (Sponsored by Bates)

**\*\*Request for suspension of rules\*\***

- Mr. Wright shared this is related to the Western Regional Interceptor project. As aware under IDEM agreed upon order to do a lot of fixes within the system. This is one of the major projects to do that, preparing for phase 1 of that project. In order to fund the project looking to issue bond through SRF (State Revolving Fund), which gives a lower interest rate because it is subsidized through a government program. The first \$25 million of that bond would get the subsidized rate, then anything above that, for our purposes asking to go up to \$35 million. The other \$10 million would be at the market rate achieved by the state revolving fund, which would be a lower market rate than we could get on our own, because they do have that backing of the federal funding and as a state agency they get the lower rate. So we would get the rate the get on the open market for the difference. Do not necessarily think will need the full \$10 million on that right now, the engineers are still looking at the cost for utility relocations and some other things not 100% nailed down on. Need to have done and to SRF by October 1, 2018 to allow them to complete their due diligence and move forward on bond issuance on our behalf.
- Mr. Campbell asked about the need for suspension of the rules, Mr. Wright shared only needed through first reading, based on the schedule would have second reading at next meeting would allow them to get all documentation submitted by October 1, 2018 deadline.

Motion to suspend the rules through first reading for Ord 18-34 made by Mr. Bates and seconded by Ms. Gibson

Mr. Wright shared part two of the budget see attached link for the presentation:

[http://www.greenwood.in.gov/egov/documents/1536349113\\_56153.pdf](http://www.greenwood.in.gov/egov/documents/1536349113_56153.pdf)

- Mr. Armstrong asked about the Emerson Rd project being done next year. Mr. Wright shared that pieces of the project will be paid for next year and Phase II which is in planning for the trails and lighting. Mr. Armstrong asked if the milling would be done this year. Mr. Wright confirmed that it would.
- Ms. Gibson asked about the statement of improving crosswalks at the schools, wanting to know if this would include flashing lights while school was in session. Mr. Wright shared he did not know, this project is in planning phase and looking to be funded for 2020.
- Mr. Campbell asked about the adding three new fire fighters, if that was what was really happening or were they transitioning three part timers to full time. Mr. Wright confirmed that the transitioning of part timers is what was happening. By doing this it would allow them to increase part time pay to be more competitive in the County. Mr. Campbell stated so not really adding three full timer's just converting hours. Mr. Wright confirmed that was correct.
- Mr. Bates asked about the fact we have local elections next year if the cost of that was included. Mr. Wright stated he would need to find that out and make sure added correctly.

## **D. Mayor**

Would like to thank Mr. Wright, Adam Stone and many more from team who have worked to get the budget prepared. Understand the time and effort took to complete all have done an amazing job.
