Any information concerning the cost of the property and specific salaries paid to individual employees by the property owner is confidential per IC 6-1.1-12.1-5.1.

INSTRUCTIONS:

- 1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction.
- The statement of benefits form must be submitted to the designating body and the area designated an economic revitalization area before the installation of qualifying abatable equipment for which the person desires to claim a deduction.
- 3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated or with the county assessor if there is no township assessor for the township. The 103-ERA must be filed between January 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between January 1 and the extended due date of that year.
- 4. Property owners whose Statement of Benefits was approved, must submit Form CF-1/PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
- 5. For a Form SB-1/PP that is approved after June 30, 2013, the designating body is required to establish an abatement schedule for each deduction allowed. For a Form SB-1/PP that is approved prior to July 1, 2013, the abatement schedule approved by the designating body remains in effect. (IC 6-1.1-12.1-17)

TAX ABATEMENT APPLICATION KIT

CITY OF GREENWOOD

TAX ABATEMENT APPLICATION

REVIEW AND APPROVAL PROCESS

Introduction

There are two different review processes for applications requesting tax abatement within the City of Greenwood. The location of the subject property determines which process is applicable.

If the subject property is located within a designated Economic Development Area (EDA) the applicant must obtain approval form both the Redevelopment Commission and the Common Council. An EDA is commonly referred to as a "TIF District" where tax increment financing is used to meet community economic development and infrastructure goals and objectives.

If the subject property is not within an EDA the applicant must obtain approval only from the Common Council.

The following is a step-by-step explanation of both processes.

CITY OF GREENWOOD

TAX ABATEMENT APPLICATION PROCESS (FOR LAND WITHIN A DESIGNATED EDA)

REDEVELOPMENT COMMISSION AND COMMON COUNCIL REVIEW BOTH REQUIRED

- 1. Obtain proper application package from City Attorney.
- 2. Submit original and three (3) copics of completed application to City Attorney at least fifteen (15) days prior to regular monthly meeting of Redevelopment Commission (RDC). (See attached schedule)
- 3. Within five (5) days City Attorney will distribute completed applications to RDC members, Common Council members, Mayor, Clerk-Treasurer and appropriate staff. A cover letter listing the complete meeting schedule will accompany the application. (Sample letter enclosed)
- 4. Applicant shall make its presentation to the RDC on the scheduled meeting date. RDC will make determination that the application is complete or incomplete, and take the application under advisement.
- 5. Application will be introduced to Common Council as per attached schedule. No presentation required by applicant at that time.
- 6. RDC shall meet to make a determination on the application. The RDC shall either approve or disapprove the application. If the determination is favorable a written resolution approving the application will be passed and forwarded to the Common Council by the City Attorney.
- 7. First reading by Common Council shall be as per the attached schedule. Applicant shall make its presentation to the Common Council at first reading. If the application receives a negative vote on the first reading the application shall be deemed denied. If positive, the application shall be scheduled for second reading.
- 8. Second reading shall be as per the attached schedule. If negative, the application shall be deemed denied. If positive, the application for abatement shall be deemed preliminarily approved. Notice of public hearing shall be published.
- 9. Public hearing shall be held by Common Council as per the attached schedule. After conclusion of the public hearing the Common Council may act to confirm their approval. If negative, the confirmatory resolution is defeated and the application is denied. If, positive, the confirmatory resolution is adopted and the application approved.

Suspension of Rule of Procedure

The Redevelopment Commission or Common Council may, be unanimous vote of the quorum present, suspend its rules or procedure to expedite the review and approval process.

CITY OF GREENWOOD

TAX ABATEMENT APPLICATION PROCESS (FOR LAND **NOT** WITHIN A DESIGNATED EDA)

COMMON COUNCIL REVIEW REQUIRED

- 1. Obtain proper application package from City Attorney.
- 2. Submit original and three (3) copies of completed application to City Attorney at least 15 days prior to a regularly scheduled meeting of the Greenwood Common Council (meet twice monthly, first and third Mondays).
- 3. City Attorney will distribute completed applications to Common Council members, Mayor, Clerk-Treasurer, and appropriate staff either prior to or at the meeting fro which the application is schedule for introduction to the Common Council.
- 4. There are four steps to the Common Council approval process:
 - A. Introduction
 - B. First Reading Inducement Resolution
 - C. Second Reading Inducement Resolution
 - D. Public Hearing Confirmatory Resolution
- 5. Applicant shall make its presentation to the Common Council at first reading. If the application receives a negative vote on first reading the application shall be deemed denied. If positive, the application shall be schedule for seconds reading.
- 6. If the application receives a negative vote at seconds reading, the application shall be deemed denied. If the vote at second reading is positive the application for abatement shall be deemed preliminarily approved (inducement resolution adopted). Notice of public hearing shall be published.
- 7. Public hearing shall be held by Common Council. After conclusion of the public hearing, the Common Council may act to confirm its approval. If negative, the confirmatory resolution is defeated and the application is denied. If positive, the confirmatory resolution is adopted and the application for abatement approved.

Suspension of Rules of Procedure

The Common Council may, by unanimous vote of the quorum present, suspend its rules of procedure to expedite the review and approval process.

Project Description:

(Describe Proposed Project In Detail)

(Attach Copy of Statement of Benefits form)

Nachi is a worldwide manufacturer of innovative products: bearings, precision cutting tools, hydraulic equipment, machine tools, robots and high-speed steel. The company plans to expand services into manufacturing drills. For this to occur, the company will need to invest in additional advanced manufacturing equipment, making them more efficient and increasing their already high-quality products. The economics of this project are contingent on the availability of economic development incentives — especially personal property tax abatement, as the cost of integrating more advanced technology into their equipment lines is high and the business case of maintaining their production process here is one that is constantly being analyzed.

Company History:

(Give general description/history of the company) (Attach copy of Statement of Benefits form)

Nachi is a worldwide manufacturer of innovative products: bearings, precision cutting tools, hydraulic equipment, machine tools, robots and high-speed steel. They are proud to deliver products manufactured to the highest possible standards and maintain an ongoing commitment to incredible quality. At Nachi, they develop technology for both product and process. Spanning from specialty steels used in the manufacture of cutting tools and bearings to the equipment used in their manufacture and beyond, to the equipment that is used by their customers in their manufacturing facilities. Also, as an OEM supplier of bearings and hydraulics they touch directly to the ultimate end user of their customers' products. They control every facet of the manufacturing processes and their manufacturing equipment and processes are utilized worldwide. The company has called Greenwood, Indiana its US headquarters home since 2009 and many years prior to that, founded multiple subsidiaries of its now expansive company in Indiana. The company sincerely values their partnership with Greenwood and is looking forward to that relationship continuing.

General Description, Location, Address, Etc.

715 Pushville Road, Greenwood, IN 46143; Parcel # 41-05-16-012-006.000-030

The company plans to expand and improve its manufacturing lines through \$13,600,000 of investment in new advanced-technology manufacturing equipment, specifically for manufacturing drills, and 5 new jobs through the end of 2024.

Company Description

Nachi is a worldwide manufacturer of innovative products: bearings, precision cutting tools, hydraulic equipment, machine tools, robots and high-speed steel. They are proud to deliver products manufactured to the highest possible standards and maintain an ongoing commitment to incredible quality. At Nachi, they develop technology for both product and process. Spanning from specialty steels used in the manufacture of cutting tools and bearings to the equipment used in their manufacture and beyond, to the equipment that is used by their customers in their manufacturing facilities. Also, as an OEM supplier of bearings and hydraulics they touch directly to the ultimate end user of their customers' products. They control every facet of the manufacturing processes and their manufacturing equipment and processes are utilized worldwide. The company has called Greenwood, Indiana its US headquarters home since 2009 and many years prior to that, founded multiple subsidiaries of its now expansive company in Indiana. The company sincerely values their partnership with Greenwood and is looking forward to that relationship continuing.

Abatement Schedule Requested

Traditional 3 year schedule:

Year 1 100%

Year 2 66%

Year 3 33%

Explain why Abatement is Necessary

The economics of this project are contingent on the availability of economic development incentives – specifically personal property tax abatement, as the cost of integrating more advanced technology into the company's equipment lines is high and the business case of maintaining their production process here is one that is constantly being analyzed by their foreign leaders.
