**APPLICATION FOR
BUILDING PERMIT**

PERMIT NO.: _____

Application is hereby made for a permit to improve premises as described herein as shown in the accompanying **plans and specifications**, which improvement is to be located as shown on the accompanying **plot plan**. The information which follows and the accompanying plans, specifications and other information with the representations therein contained, are made a part of this application in reliance upon which the Planning Commission of the City of Greenwood is requested to issue a location improvement permit and any applicable sewer permits.

It is understood and agreed by this Applicant that any error, misstatement or misrepresentation of material fact, either with or without intention on the part of this Applicant, such as might or would operate to cause refusal of this application, or conditional approval thereof, or any material alteration or change in the accompanying plans, specifications or improvements subsequent to the issuance of a permit in accordance with the application, without the approval of the Planning Commission shall constitute sufficient ground for the revocation of this permit.

All building construction work, alterations, repairs, or mechanical installations and appliances connected therewith and other work necessary to complete the following improvement, shall comply with the State Building Rules and Regulations, local ordinances and such other statutory provisions pertaining to this class of work, and such rules, regulations, ordinances and provisions shall be considered a part of specifications, whether specified herein or not.

PLAN AUTHENTICATION AGREEMENT

Project Name: _____

Project Address: _____

As the person eligible and responsible for obtaining a permit or permits as required in Section 10-130 of the City of Greenwood Municipal Code, and based upon information contained within these plans, I certify that these plans are identical to those released for construction by the Indiana Department of Homeland Security, Division of Fire Safety/Plan Review. I also understand that if it is determined that these plans are not identical, all permits obtained from the City of Greenwood as a result of their submittal will be considered to be in violation of Section 10-130 of the City of Greenwood Municipal Code.
