Current Year Financial Reports

The Finance Department completes a quarterly review to measure Greenwood's long-term financial goals:

- Practice fiscal discipline by operating structurally balanced budgets
- Rebuild balances for all major funds, specifically the Rainy Day Fund
- Issue highest level of financial reporting available
- Increase financial transparency and compliance

For Quarter Ending:

- [December 31, 2018](#)
- [March 31, 2018](#)

Annual Budget

Thanks to dedicated fiscal planning and management, Greenwood enjoys a positive financial position.

The city's Rainy Day Fund and reserves have increased by more than 30 percent from 2012. Every City account is now close to or above a 50 percent reserve, and Standard & Poor's Rating Services recently increased Greenwood's credit rating two notches to A+.

A construction site under a blue sky with scattered white clouds. In the foreground, several large, orange, corrugated plastic pipes are laid out in a trench, partially covered with grey gravel. A worker in a bright yellow-green safety vest with 'O'Mara' written on the back, blue jeans, and a white hard hat stands on the left, looking towards the pipes. In the background, a red dump truck is parked on a paved area, and a silver SUV is visible further back. A chain-link fence with orange safety netting runs across the middle ground. Commercial buildings are visible in the far distance.

LEAF AND LIMB PICKUP BEGINS OCTOBER 17!

The City of Greenwood is proud to provide comprehensive ongoing leaf and tree limb removal services. To ensure removal of these items happens efficiently and effectively, please consider the following guidelines:

- Residents must rake leaves to the edge of the curb or yard for proper pickup. DO NOT put leaf piles in the street as this will cause stormwater drainage problems.
- Leaf and tree limb piles need to be separated. Grass clippings are not picked up as part of this service.
- Please do not block leaf piles with vehicles.
- The City does not pick up bagged leaves at curbside; however, residents may take bagged leaves to the Waste Management Facility located at 1244 West Fry Road.

EST 1864

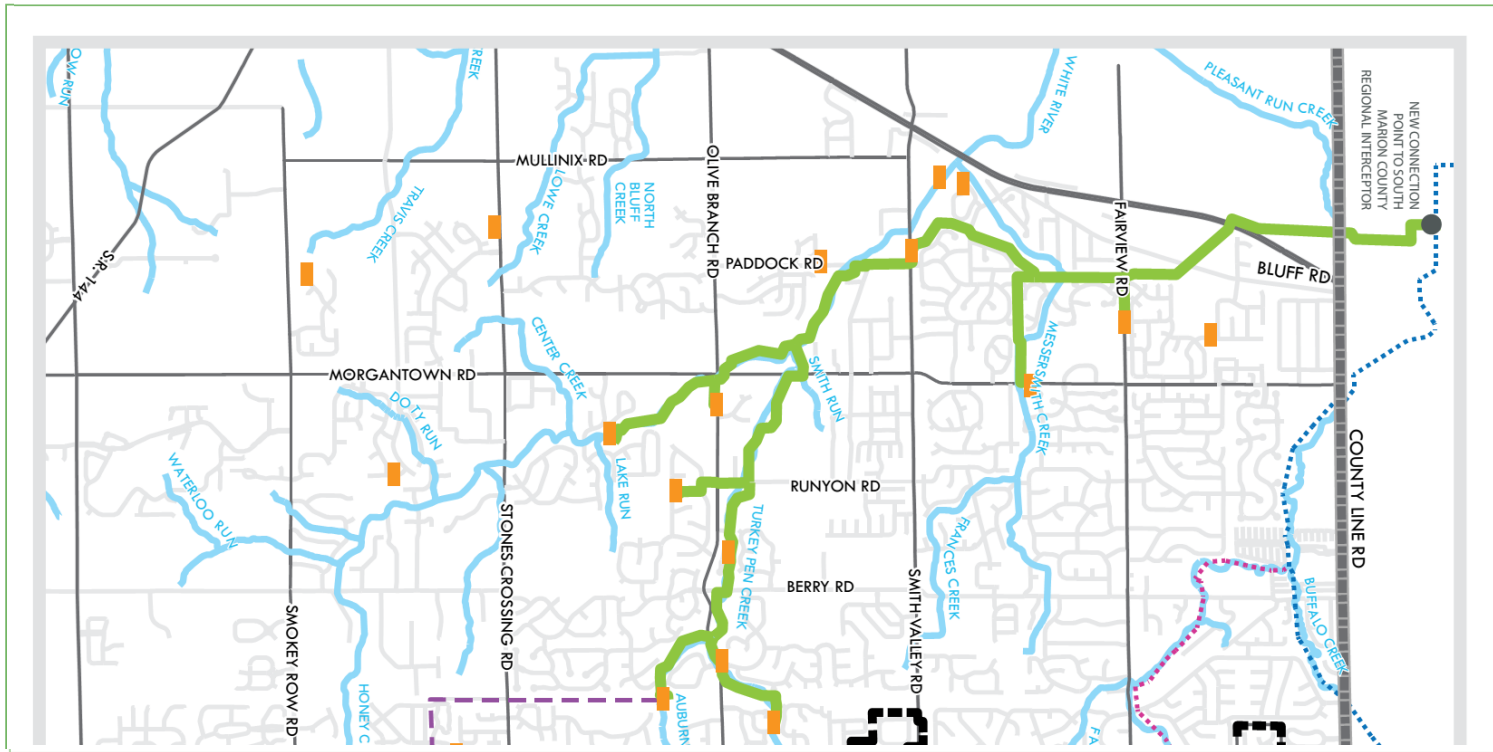

Leaf and limb pickup will end on December 2.

A photograph of an older couple at an outdoor event. The man, on the left, has grey hair and a mustache, and is wearing a blue short-sleeved button-down shirt. He has a medal with a red, white, and blue ribbon around his neck. The woman, on the right, has short brown hair and is wearing glasses and a sleeveless top with a small floral pattern. She also has a medal around her neck. They are both smiling and touching their noses. The background is a blurred outdoor setting with trees and a crowd of people, suggesting a festival or fair. The text "QUALITY OF LIFE" is overlaid in large white capital letters across the center of the image.

ART ON THE TRAIL

A curved black banner with the text "ART ON THE TRAIL" in white, set against a background of a sunset over a house and trees. The banner is positioned diagonally across the frame, starting from the top left and curving towards the bottom right. The background features a bright, orange and yellow sunset sky, with the sun partially obscured by the silhouettes of bare trees. Below the trees, a dark silhouette of a house with a chimney is visible. The overall scene is a serene, late-afternoon or early-evening setting.
