

📌 Hello! Welcome to ChockTALK

We are excited to share all the activities going on at Indy South Greenwood Airport. If you haven't already, feel free to head over to www.facebook.com/IndySouthGreenwoodAirport for instant updates. You can also go to our website www.greenwood.in.gov/AIRPORT for airport information and services. Be sure to check out our highly competitive fee and fuel prices. We have lots of exciting developments and changes coming – Stay tuned!

📌 State Police Land in Greenwood

Indiana State Police have officially made Indy South Greenwood Airport their new home. On June 24th, the ground breaking ceremony was held, followed by a press conference from Mayor Mark Myers and ISP Superintendent Carter. Construction of their operations center is underway and is set to be finished by the end of October. This partnership is expected to bring lots of opportunities for both ISP and Indy South Greenwood Airport, including growth and future development.

📌 Whiteland HS Internship Opportunity

Starting this fall, our airport will be partnering with Whiteland Community High School to provide a work-based education internship opportunity for students in their aviation program. Airport staff will be acting as mentors for interns, demonstrating airport safety, regulations, and other operations. Students will have the opportunity to learn about potential aviation careers and gain valuable insight to the general aviation industry.
