

Three New Corporate Hangars Available

Three beautiful, new hangars have recently been built at Indy South Greenwood Airport. Each quality space has "Behind the Gate" airport entrance and its own restroom.

- Each hangar is 70' x 65' (4,550 sq. ft.)
- Heated ramp
- Radiant heat inside
- Hydraulic lift hangar doors
- Restroom
- Garage door for vehicle access
- LED Lighting
- Zoned Airport Commercial
- Access to 3-acre ramp
- Private entrance

THIS LOCATION TRULY A PLUS

- Less than 15 minutes to downtown Indianapolis
- Less than 1 mile from I-65 & County Line Road Interchange
- Highly desirable space in an aviation setting
- Close proximity to hotels, office, restaurants, retail, medical and prime residential.

INDY SOUTH GREENWOOD AIRPORT

As the airport providing the fastest route to downtown Indianapolis, we strive to provide exceptional service, highly competitive fees and fuel structures, and convenient, comfortable amenities. Plus, 100% free aircraft parking. No landing fees. No ramp fees. The airport welcomes and services both local and transient aircraft, jets, pistons and turbines. It hosts, two aircraft sales facilities, a flight school, aircraft rental service, and an aircraft maintenance facility providing 24-hour customer service. Indy South Greenwood is also one of only a few airports to offer Jet A and 100LL fuel from both a mobile truck and 24-hour self-serve pumps.
