Parents. We always have a hard time finding coaches for our youth sports programs. A significant knowledge of baseball is not a must. Please help us get the season started right by volunteering to coach. If you or anyone you know would be interested in coaching, call Jeff Madsen at (317) 881-4545.

This is a parent/guardian run league. The problem we see with beginning baseball leagues is that youngsters are often placed alone in the field and have no idea what to do. We intend to counter that problem by having the child's parent/guardian standing in the field and at the plate with them. The parent/guardian will help the child by directing them to run to the correct base, throw the ball to the correct area, etc. We believe constant encouragement is the best way to teach youngsters how to play this great game. **So, please be prepared to take the field with your child.**

Practices will be geared to be both fun and educational. We will teach fielding techniques, batting stance, hitting techniques (stressing safety), how to run the bases and throwing techniques.

Games will be however many innings we can play within the 45-minute time limit. Every player will bat each inning. Our emphasis will be on learning the game.

Each player will get a jersey and a MLB Replica cap. Players must provide their own mitt and can provide their own bat. The batting tees, bats and balls will be provided by the league.

Parents please check out the T-Ball page on our App for schedules and rainout information. The App is: Greenwood Parks & Recreation.
