An aerial photograph of a baseball field during sunset. The sun is low on the horizon, casting a warm orange and pink glow across the sky and the field. The baseball field is visible with its green grass and red dirt base paths. In the background, there is a highway with several vehicles, including trucks and cars, and a residential area with many houses. The text "QUALITY OF LIFE" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

QUALITY OF LIFE

A close-up photograph of a blue shovel digging into dark brown soil. The shovel's blade is partially buried in the earth, and its handle extends upwards. The background is slightly blurred, showing more soil and some green vegetation. Overlaid on the center of the image is the text "ECONOMIC DEVELOPMENT" in a large, bold, white, sans-serif font.
