A firefighter in full protective gear, including a helmet, jacket with reflective stripes, and gloves, stands next to a white fire truck. The firefighter is carrying a rolled-up hose over their shoulder. The fire truck features several logos: a Maltese cross with 'GREENWOOD FIRE EST. 1880', a 'MARAUDER' logo with a flame icon, and a 'PROFESSIONAL FIREFIGHTERS' logo. An American flag patch is visible on the firefighter's jacket. The background shows a residential area with houses and trees.

An aerial photograph of a construction site. A large lattice boom crane with a red and white base is positioned on a dirt road. To its left, two yellow excavators and a small white vehicle are parked. A long yellow crane boom lies on the ground nearby. The site is bordered by a dense forest of green trees on the right and a grassy area with a road on the left. A body of water is visible in the lower center. The word "INFRASTRUCTURE" is overlaid in large white letters across the middle of the image.

Benefits of MS4

An aerial photograph of a town at sunset. The sun is a bright red orb on the horizon, casting a long, glowing orange and yellow light across the sky. Below the horizon, a long, straight road leads towards the town, with a small light reflecting off its surface. The town itself is a mix of residential houses, commercial buildings, and parking lots, all bathed in the warm light of the setting sun. The text "QUALITY OF LIFE" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.
